## 2. Step 3- "create an account"

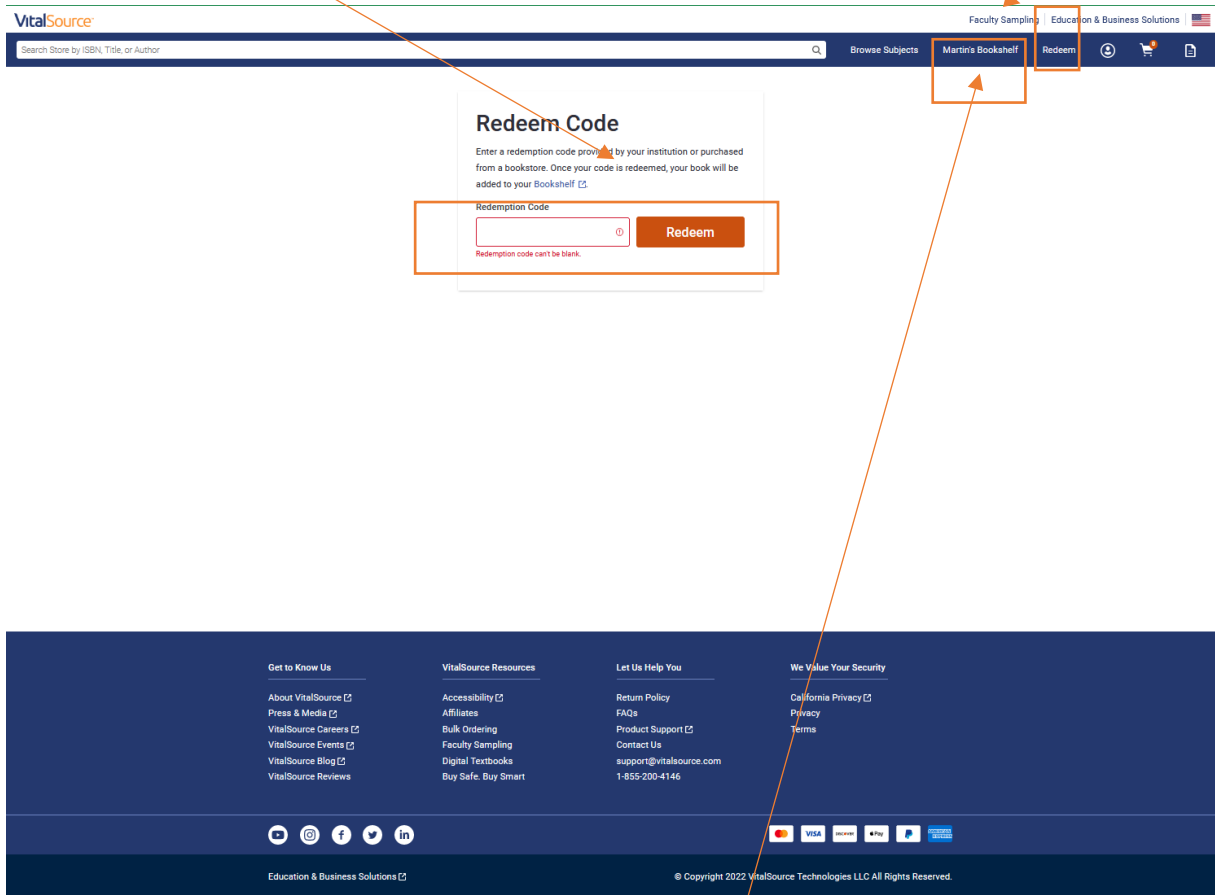

The screenshot shows the VitalSource website's login and registration page. At the top left is the VitalSource logo. The top navigation bar includes a search bar, 'Browse Subjects', 'Bookshelf', 'Redeem', and a 'Sign In' button. On the left, a box titled 'Create an account' lists three benefits: 'Seamless checkout experience', 'Automatic access to your purchased eTextbooks', and 'Access to offers and discounts for purchases'. Below this list is a 'Create New Account' button. On the right, the 'Sign In' section prompts returning customers to sign in, with fields for 'Email' and 'Password', a 'Forgot password?' link, and a 'Sign In' button. The footer contains four columns of links: 'Get to Know Us', 'VitalSource Resources', 'Let Us Help You', and 'We Value Your Security'. Social media icons and payment logos are also present at the bottom.

## 3. Fill in all the necessary information and confirm your email address.

The screenshot shows the 'Create a VitalSource Account' form. On the left is a cartoon character of a book with a face and arms. The form is titled 'Create a VitalSource Account' and includes the following fields and options: 'Role' (a dropdown menu with 'I am a student' selected), 'First Name' and 'Last Name' (text input fields), 'Email' (text input field with 'email@email.com'), and 'Password' (text input field with a visibility toggle). Below the password field are radio button options for '8 characters', 'Special character', 'Uppercase', and 'Lowercase'. A checked checkbox option reads 'Email me occasional updates about my account activity, product updates, and special offers. (You can unsubscribe at anytime.)'. At the bottom of the form is an unchecked checkbox for 'I agree to the Terms of Use, Cookie Policy, and Privacy Policy'. A 'Create Account' button is at the bottom right of the form, and a link for 'Already have an account? Sign in' is below it.
